GI STOL Advanced Kits Include:

Pre-assembled by GI America:

Airframe Components:

- Pre-equipped airframe with controls and engine-mount
 - ✓ Assembled throttles
 - ✓ Assembled control stick
 - ✓ Assembled flaps (except skin)
 - ✓ Left and right rudder pedals installed
 - ✓ Elevator cables installed (unique “fold down” stick system)
 - ✓ Aileron control cables installed
 - ✓ Rudder control cables installed
- Cabin and fuselage joined
- Fin and Horizontal tail plane fixed on the fuselage
- Wings assembled with fuel tanks fitted
- Flaps assembled and installed
- Ailerons assembled (to be covered) *Possible canvas covering (see in options)*
- Rudder assembled (to be covered)
- Elevator assembled (fixed part set up on the airframe)
- Fuel pipes assembled (wings and cabin), with fuel Taps
- Wing struts (painted but to be adjusted)
- Dashboard pre-cut, but not installed
- Electric Flaps actuators assembled

Accessories included:

- All hardware components (in individual, transparent and referenced bags)
- Adhesive rug for inside cockpit (to be cut)
- Aluminium seat base and covered seats
- Technical instructions for assembly and operation

GI AMERICA

Carbon Fiber Components (to be adjusted during assembly)

- Engine cowl
- Mouldings of wings roots and tips
- Mouldings tail-plane / fuselage
- Wing tip mouldings Installed
- Tail-plane tip mouldings
- Fin tip moulding
- Seats surrounds

Lexan Components

- Windshield shaped
- Cabin roof (cut, drilled, not placed)
- Doors: straight or curved (cut, not placed)
- Parachute system hatch (cut, drilled)
- Inspection hatch of the fuselage (cut, drilled)
- Inspection hatch of ailerons bellcrank under the wings (cut, drilled)

Undercarriage components

- Undercarriage with brake system and wheels (not assembled) (*)
 - Nose wheel landing gear with damper and wheel (not assembled) (*)
- * *Optional assembly by GI Aviation (see Options)*

Assembly to be completed by the customer:

Assembly of cockpit equipment (windscreen, roof, doors, dashboard, seat)

Assembly of wings (corner angle, shrouds and wings pivot, tanks)

Assembly of ailerons (assembly, adjusting angles, bellcranks and attachments)

Assembly of flaps (assembly, positioning, control linkage)

Assembly of rudder (assembly, positioning, control linkage)

Assembly of elevator (assembly, positioning, linkage, trim)

Installation of inspection hatches and Lexan covers

Assembly of carbon fiber parts (wings, tail mouldings, mouldings (wings / fuselage), mouldings (fuselage / tailplane), seat surrounds, upper and lower engine cowls)

Installation of engine (assembly, wiring)

Installation of instruments and panel (assembly, wiring)

Completion of aircraft including paint, paperwork and all other options

GI STOL Advanced Kit Options:

LANDING GEAR/ WHEELS / BRAKES

- A/Basic model

Brake on the center, wheels and tires "GI"
Main gear: 15.600.6
Front gear: 13.500.6

INCLUDED

- B/ "Bush" Tires kit

Main gear 800-6
Front gear 15 x 6.00-6 or 13x600x6
With "GI" tires

US \$495

- C/ BERINGER 1 brake handle on stick + Bush Kit

Main gear 800-6 / Front gear 15x600x6
With "GI STOL" Carbon Kevlar Rims

US \$2.685

- D/ BERINGER 2 brake handles + Bush Kit (1 on each stick)

Main gear 800-6 / Front gear 15x600x6
With "GI STOL" Carbon Kevlar Rims

US \$3.350

Option Big Tires 21' TUNDRA 4 PLY
Front Gear 600x6' 4 PLY

US \$442

Exclusive Carbon Kevlar landing gear (40% lighter)

US \$2,720

INSTRUMENTS

- Vertical Speed Indicator

US \$347

- GPS GARMIN AERA 500

US \$1,178

- GPS GARMIN AERA 550

US \$1,922

- EFIS DYNON Skyview 10" HDX

US \$4,604

- EFIS DYNON Skyview D1000/B with harness

US \$3,109

- EFIS DYNON Skyview D600/B (VFR only)

US \$1,609

- MGL IEFIS 10.4" Generation 3

US \$3,000

- Aileron Trim (with accessories)

US \$650

STROBES

- Simple Strobe

US \$240

- Double Strobe

US \$460

- Triple Strobe

US \$580

Details Options

Options: Instrument panel + instrumentation (see list 1) US \$3,950

Complete Airframe assembly Builder Assistance: (except engine and instruments) US \$8,000

ENGINES

- Engine ROTAX 912 UL 80 HP US \$17,829
- Engine ROTAX 912 ULS 100 HP US \$21,266
- Engine ROTAX 912 iS 100 HP US \$24,539
(+ ROTAX iS engine accessories: US \$1,550)
- DMotor LF39, LF26 On demand
- Viking 90 US \$9,995
- Viking 130 US \$10,995
- Viking 195 Turbo US \$18,500
- Yamaha APEX 130-300HP On demand
- Header Tank for Fuel Injection: DMotor, Apex, Viking US \$1,495

- Rotax Engine Accessories (see list 2) US \$3,628
- Rotax KIT wiring looms (see list 3) US \$1,980

PROPELLERS

- Propeller IVOPROP 3-blades ground adjustable US \$1,055
 - Propeller DUC SWIRL Inconel 3-blades ground adjustable US \$2,470
 - Propeller DUC SWIRL 3 Inconel 3-blades ground adjustable US \$3,100
 - Propeller DUC FLASH 3-blades ground adjustable US \$3,800
 - Propeller E PROPS 3-blades ground adjustable US \$2,470
- (all DUC Propellers come with Carbon Cone, accessories and tools)

PARACHUTE

- Ballistic Parachute ARS (complete with straps) US \$5,755

RADIOS / TRANSPONDEURS

FUNKWERK

- Radio ATR833 with cable and antenna US \$2,050
- Transponder TRT800 (S), with cable and antenna US \$2,795

MGL

- Radio VI6 + Vega Ctrl with harness, antenna and Intercom harness US \$1,574

TRIG

- Radio TY91 (8.33/25 Khz), with cable and antenna US \$1,461
- Transponder TT21 (S), with cable and antenna US \$2,199

GI STOL Advanced Kit Price List 2022

MISCELLANEOUS

- Exchanger SKK F1210	US \$325
- Ultra Light Battery Lithium Weight: 850g	US \$355
- Battery charger	US \$60
- Battery Load relief system	US \$110
- 2 extra Fuel Tanks (Total will be 4x 9.25gl)	US \$520
- Carbon Kevlar tank (each)	US \$1,120
- Ski, Riffle or Fishing ROD Compartment	US \$1,435

ACCESSORIES

- Approved road trailer fully galvanized profiled tube (2 500x 2 300)	US \$7,550
- With braking system	
- Spare wheel fitted to trailer	
- Seats paint match (Colour change)	US \$250
- Protective cover range GI 350g/m2 – white colour	US \$585
- Protective cover range GI nose 350g/m2 – white colour	US \$210
- Protective cover range complete (with roof included)	US \$800
- Cart folding the wings	US \$625
- Front mudguard	US \$117
- Main train mudguard (unit price)	US \$92
- GI Paint option (2 colours)	US \$9,500

Program Builder Assist

- One-week Airframe Builder Assist (engine and instruments not included)	US \$8,000
- One-week Engine and Instrument Assist	US \$6,000
- Complete Ready to Fly GI (Canada Only) (with Rotax 912 80hp or Viking 90 + Instruments Pkg List 1)	US \$79,950

USA Builders Assist available starting - August 2022 Located in Northwest Illinois
